EXPERIENCE

Freelance Frontend Developer
Upwork

March 2025 – Ongoing Remote

- Improved user experience and engagement through clean UI implementation
- Collaborated with designers to translate Figma/UI concepts into functional web pages
- Participated in code reviews and applied best practices for maintainable code
- Developed responsive and user-friendly web interfaces using HTML, CSS and JavaScript

Mathematics Teacher
GT Scholar

February 2024 – February 2025 Remote

- Taught mathematics with a focus on algebra, functions, and structured problem-solving, strengthening analytical and logical thinking
- Designed learning materials, mentored students and explained complex concepts in a clear and adaptable way

PROJECTS

Kabul Consultancy Website
Personal Project

- Built a responsive multi-section consultancy website using HTML, CSS, and JavaScript with a mobile-first and clean UI approach
- Optimized usability, performance and cross-browser compatibility for a consistent user experience

Interactive Quiz Application
JavaScript Application

- Developed an interactive quiz application using JavaScript and DOM manipulation with dynamic question rendering and real-time score tracking
- Managed user input and state updates without reload and implemented a responsive layout for smooth cross-device experience

PUBLICATIONS

Vulnerabilities of AI in Cybersecurity

- S. Shahid, "Vulnerabilities of ai in cybersecurity," *International Journal of Scientific Engineering and Research (IJSER)*, vol. 13, 2025.

PROFILE

"Computer science student at TU Berlin specializing in responsive frontend development with a strong analytical and research background in AI and cybersecurity."

STRENGTHS

HTML | CSS | JavaScript | Git & GitHub | Python (basic) | C++ | Excel | Data Cleaning

LANGUAGES

Farsi ●●●●●
